Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- A review of the reports filed by your committee indicates that your committee received one or more contributions from "FIRST COLONIES ANESTHESIA ASSOCIATES LLC POLITICAL ACTION COMMITTEE" which has been disclosed on their report(s) of receipts and disbursements as a contribution for the non-federal account (see attached). Please be advised, contributions deposited in a federal account must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)

If any apparently misdeposited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If the contribution(s) received was misdeposited into the federal account, you may have to make a refund. If within 30 days of receipt you (1) transferred the misdeposited amount to an account not used to influence federal elections, and (2) provided a written notice to the committee making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met
